

Columbia Children's Theatre features productions by professional directors, actors, writers, and designers all focused on delivering an interactive theatrical experience for all ages. We are committed to providing affordable programming that speaks across cultural, ethnic and generational boundaries. In addition we want to reach out to the local community by providing tickets to children who might not have other opportunities to experience the magic of live theatre.

Columbia Children's Theatre invites you to play an integral part in accomplishing this goal by becoming part of our Donor's Circle. Your tax-deductible donation will enable us to keep ticket prices affordable and allow us to provide high-quality entertainment for children and their families. We greatly appreciate your contribution and support toward our continued success.
